NEXT STEP A Global Markets sales role deepening client coverage across FX and Rates, growing cross-sell, and driving digitalisation on the desk.

02 · CURRENT ROLE

Dealer, Corporate Sales – Global Markets

United Overseas Bank (Malaysia) Bhd

Dec 2025 – Present · Kuala Lumpur

PRODUCTS

FX Spot | Forwards | Extensions | Early Take-ups | Swaps

PLATFORMS

eFX | Voice Dealing

1. **Client coverage**
   Timely market updates and analysis on FX majors and MYR for corporate clients.

2. **Accurate execution**
   FX spot, forward, extension and early take-up deals, priced accurately and delivered error-free with trading and operations.

3. **Hedging support**
   Market views on FX rates and swaps for key large corporates, alongside senior salespersons.

4. **Digital adoption**
   Pitch, onboard and train clients on eFX — moving them from voice dealing to digital execution.

5. **Cross-sell**
   Spot opportunities across FX and hedging products to deepen wallet share.
